Term 1 - Swimming

Student Banking

Weekly on Tuesdays

Book Club – 17th February, 2021

And just like that we are in Week 4. Thank you very much to those parents who have been contacting the school early in the morning to inform us that their child/children will be absent from school.

We would like to welcome Cameron Rackemann and Michelle van der Meulen and Riley to our school community. Our current school enrolment is now 29 students. The split is Year P – 2, 14 students and in Year 3 – 6 there are 15 students.

Thank you to the wonderful parents and grandparents that attended this week's parade. We hold parade every Monday morning at 8.45am and I would like to invite any family members to attend as the students like having you attend functions held at the school.

Could I please remind parents that students are not allowed at school until 8.00am. Prior to this time staff are planning and organizing activities for the students. If for some reason you need to drop your child/children earlier than 8.00am, please contact the school prior to the day.

Lyn

P&C AGM

The Annual General Meeting of the P&C will be held at the school on Thursday, 4th March commencing at 3.15pm. All are most welcome to attend this meeting.

Swimming

School swimming continues to be held on Wednesdays for the remainder of term 1. Students will be transported to the Biggenden Swimming Pool and return to school on Mr Graham Henningsen's bus.

Due to our successful Sporting Schools grant application, there will be no admission charge to students attending school swimming. Sunscreen will be supplied to students by the school, however families can supply their own if they prefer.

Students will require the following items for swimming:

- Swimmers and Sun Shirt
- Towel
- Goggles
- Swimming bag to put wet swimmers in

SRS – Student Resource Scheme

At the end of last year, a form was sent home for parents to opt in or out of the Students Resource Scheme. Under this scheme, students would be provided with the required classroom textbooks. Please find attached to this newsletter, payment statements for families who wished to participate in the resource scheme. Thank you to those families that have already made payment (no statement will be attached to your newsletter).

Fruit Break

Fruit break is a time during the school day when students can “refuel” on fruit, protein or vegetables. Each day students need to bring an item from these food groups to eat in the morning.

Breakfast Program

Due to the successful grant application in 2020, our P&C is again providing fruit for fruit break and Friday lunch treats of a popper, chips, cheese stick and yoghurt. This began this week.

Same Day Absence Notification

Could parents/caregivers please inform the school prior to 11.00am of their child being absent from school and the reason why. The school will contact parents/caregivers if the absence is not explained. This is a statewide policy that ensures the safety of all children. The school number is 4127 5133 and if your call is un-answered, please leave a message on the answering service.

No Hat, No Play

Our school is a sun safe school and have a “No Hat, No Play” policy. All students are required to have a hat to allow them to play in the sun at morning tea and lunch times. Students without a hat are advised to play in the undercover area. The school do have several spare hats that students can use for curriculum based lessons (eg: HPE) but due to hygiene reasons it is preferable that all students have their own hat. Please ensure that all hats are named.

Bookclub

A reminder to parents that bookclub orders close tomorrow.

School Banking

School Banking day has now changed to **Tuesdays** and students can bring in their weekly deposit on that day.

Saving regularly is an important habit to get into, whether you're saving a little or a lot. Remember, there is no minimum deposit with School Banking, you can send as little as 5c per week in, saving regularly is what is important.

Any student who would like to join the program, please contact the school for a Commonwealth Bank application form.

P & C News

As a way of supporting the school, families are requested to mow the transpiration area on a rotational basis according to your family's surname. There is a push mower, which was purchased by the P&C, available for families to use. This mower is to be used with the grass catcher attached with grass clippings removed from the area and scattered as mulch in nearby garden areas. With the warmer days and the "snake season" we hope to keep this area tidy. **The transpiration area now requires mowing by the McNaughton Family.**

The P&C Committee will be holding their AGM on Thursday, 4th March commencing at 3.15pm
